

SASNET, the Lund Afghanistan Committee, and Sensus Studieförbund invite to a lecture with journalist, photographer, author, traveller, and a leading authority on women and violence

Ann Jones

War Is Not Over When It's Over

The Impact of War on Women in Afghanistan and Other Conflicts

Ann Jones enters the lives of everyday women and men and reveals through small events some big disjunctions: between the new Afghan "democracy" and the still-entrenched warlords, between American promises and performance, between what's boasted of and what is. A renowned authority on domestic violence, a startlingly original inquiry into the aftermath of wars and their impact on the least visible victims: women. Even after the definitive moments of military victory, women and children remain blighted by injury and displacement and are the most affected by the destruction of communities and social institutions. And along with peace often comes worsening violence against women, both domestic and sexual.

TUESDAY 23 APRIL 2013, 19.00

**Hörsalen, Humanisthuset (SOL-Centrum)
Helgonabacken 12, Lund**

ALL ARE WELCOME!
